**Succession planning:** *(National Chapters are reviewed on a 3-year basis. Describe (in 100-150 words) plans for continuation or discontinuation of the committee, any proposed changes in the technical topic, chairs, co-chairs, and membership or direction of activities. The InterPore board reviews and approves all renewals of National Chapters.)*

**Legal status:** *(for instance: is the Chapter officially registered in your country?)*

**Number of members at the date of the report:** *(by category: academic, student, industrial)*

**Financial information:** *(Provide a brief summary of financial situation: income and expenses, grants, membership fees, financial return from conferences and/or workshops organization...).*

*Does the chapter maintain a bank account? If so, who is in charge of it?*

**Activities:** *(List the technical activities during the past year and provide a 50-150 word description of them including purpose/goal of activity, number of participants, presentations, measure of impact and success of activity, etc. List activities performed as a group or promoted as an InterPore National Chapter event (technical sessions/workshop held at InterPore annual meeting or other symposia, field trips, workshops, webinars, training courses, study group meetings...), )*

**Goals for the current year:** *(Describe your Chapter's goal for this year and what progress was made in 100-200 words)*

**Goals for the coming years:** *(Describe what goals have been established for coming years in about 100 words, indicate new propositions and planned activities for next year)*

**Communication:** *(How often and in what form does your National Chapter communicate with members (email, social media, website)?)*

**Chapter membership:** *(Do you review membership periodically? Do you have a plan for new member recruitment, member retention, student involvement, etc?)*

**NEW ITEM -** Discussion of the main concerns of your National Chapter to be written to both the National Chapters Committee as well as to the Interpore Executive Committee *(This is an opportunity of representative of the NC - typically the Chair with the support of your own steering committee - to share ideas, particular difficulties/situation or wishes for continuous improvements of the National Chapter, but subject to your own region/country realty perspective in its differents forms):*

**Appendix:** *(If needed, please place any additional information that you feel is pertinent to the future review of your National Chapter in this Appendix)*
